

Application to join the Paducah Internet Exchange

**Paducah
Internet
Exchange**

Network Name ASN

Primary Contact Name Title / Role

Email Address Phone Number

Port Speed Requested

☐ 10 Gbps ☐ 100 Gbps ☐ Other: _____

Site Requested

☐ Quad State PAH1 Colo ☐ Paducah KY via Dark Fiber ☐ Metropolis IL via Dark Fiber

Peer with Route Servers: ☐ Yes ☐ No

Peering Policy: ☐ Open ☐ Selective ☐ Restrictive

Open peering policies are best for interconnection!

Peering DB Profile: _____

A Peering DB profile is required for route server peers, peers not participating in Peering DB may not peer with route servers and will only be able to peer directly with others on the IX fabric. A PeeringDB.com profile is free of charge. You can always add one later.

Network Type (check all that apply)

☐ Eyeball Network ☐ Content Network ☐ Cloud / Hosting
☐ Research/Education ☐ Transit Provider ☐ Enterprise
☐ Other: _____

All ports come at no cost, members are invited to contribute to the IXP.

By signing below, the applicant accepts membership into the Paducah Internet Exchange and agrees to adhere to the Paducah Internet Exchange policies, including the Acceptable Use Policy and Peering Guidelines.
